Dear Customer,

NOTIFICATION OF ESSENTIAL ELECTRICAL WORKS A42 J14 to M1 23a (Finger Farm)

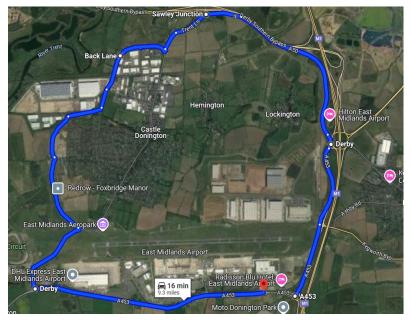

Further to my email to you dated 29 October 2024, I am writing to provide you with an update to the lighting work on the A42 between Junction 14 and M1 Junction 23a. We have revised the dates and approach to essential work we are carrying out at the Finger Farm roundabout.

What this means to you

To ensure the safety of those working on site and road users, from 8pm on Monday 11 November to 6am on Tuesday 19 November, excluding the weekend, we'll be closing the A453 between Pegasus Business Park and Finger Farm Roundabout to carry out our work.

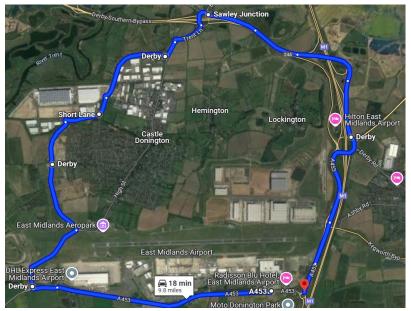

To minimise disruption to local community, residents, businesses and road users, diversions will be in place for all cars and HGVs during this time.

Northbound:

Southbound:

We'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum. We always aim to work to the programme, however unforeseen circumstances or adverse weather conditions may mean changes.
